## FAQ'S

### **What are the school hours?**

Gates open at 7:45 a.m.

Class begins at 8:15 a.m.

Class ends at 3:20 p.m.

### **Tardies**

Students are expected to be at school on time. They are tardy if they arrive at school after 8:15 a.m. A parent is required to sign-in the student in the office and the student will receive a tardy slip. 10 unexcused tardies will result in a referral. To avoid a truancy referral, we recommend placing your child on the bus to help with this matter.

### **Checking a Student Out of School**

**ONLY INDIVIDUALS LISTED ON THE CHECK-OUT CARD MAY CHECK-OUT A STUDENT**

The individual checking out the student needs to appear in person in the office, and then the student will be called from class. **Every check-out requires a valid picture I.D. from the parent, guardian, or individual listed on the check-out card.**

<p><b>***REMINDERS: CHECK OUTS - Students who CHECK IN at/after 12:30 will be counted absent for the 1/2 DAY.</b></p>
---

**NO CHECK-OUTS after 2:45 p.m.**

### **Procedures for Make-Up Work**

If a student is absent 2 or more days, the student's make-up work should be requested. Requests for make-up work should be made by 10:00 a.m. and picked up by 2:30 p.m. The number of days allowed to make up assignments will correspond with the number of days absent. (i.e., 3 days absent = 3 days to turn in make-up work to the teacher or take missed tests). The student should check with their teacher(s) to receive make up work when they have been absent.

### **How do I schedule a conference?**

You can call the office at (225) 665-5534 to schedule a conference. Conferences will be scheduled according to teacher availability and around their planning times. (Planning times vary.) You can also contact your child's teacher and arrange a time to meet with them to discuss your child's progress or any concerns.

Dear Parents,

Welcome to Walker Elementary School! We're excited about the upcoming school year and all the new opportunities it brings! Throughout the year, we aim to enhance our campus in various ways. Currently, we have several projects in the pipeline, including acquiring a new PA system for the gym, adding more picnic tables, and updating our playground swings. These improvements are part of our commitment to creating an environment conducive to learning and ensuring the safety and growth of all our students.

As you go through this handbook, we encourage you to discuss each section with your child. The WES handbook contains valuable information that will support your child in becoming a successful student and will help both of you become acquainted with our policies and procedures.

We eagerly anticipate the 2024-2025 school year and are grateful for your support in guiding our students toward their full potential. We aim to make this academic year a fulfilling experience for both you and your child.

### **Vision**

Walker Elementary envisions students reaching their highest potential through the utilization of communication, assessments, and a variety of instructional methods. Our expectation is that all students be fully prepared for a successful future. Our vision is to keep families, staff, and students informed and to promote engaging educational learning opportunities for all students. It is essential that our school environment is a safe place for children to learn and grow.

### **Character Motto:**

Wildcats ROAR! We must be **Respectful, Optimistic, Attentive,**  
and  
**Responsible.**

### **Principal's Philosophy**

At Walker Elementary School, our primary goal is to nurture our students into respectful, responsible, and successful citizens. We are dedicated to fostering a positive learning environment where every student can thrive. We believe that education is the key to empowerment.

We understand that quality education begins with a supportive school atmosphere that revolves around the needs of the students. Each child is unique, with individual strengths, weaknesses, interests, and abilities. Therefore, student engagement is essential to the learning process, and we encourage the thoughtful use of all available resources to enhance learning. While technology and tools are valuable, we also acknowledge that nothing can replace the impact of an exceptional teacher.

Our school is teacher-centered, recognizing the power of educators to positively influence students' lives. We are committed to maintaining a safe and engaging environment in every classroom, with fair and consistent classroom management practices. All decisions are made with the well-being and growth of our students as the top priority.

We value the involvement of the community and parents in our educational mission. It is our objective to keep parents informed about their child's progress, provide support for learning at home, and encourage active participation in school activities.

As the principal of Walker Elementary, I am dedicated to fostering a culture of trust and collaboration among all stakeholders. Together, we have the opportunity to make a positive difference in the lives of our students. I invite everyone to join us in this partnership to provide a high-quality education for our students.

Code of Conduct:

- Treat others with respect.
- Strive to achieve your best.
- Maintain the beauty and cleanliness of our campus.
- Represent our school with excellence.

By adhering to this code, students will bring pride to themselves and to our school community. Those who consistently meet these expectations will be rewarded with incentives and special responsibilities throughout the school year.

In summary, our philosophy is centered on creating a supportive, engaging, and respectful environment where every student can thrive academically, socially, and emotionally.

## **ADMISSION TO SCHOOL**

At the time of registration, a parent or guardian of all **new** students must complete the enrollment process through PowerSchool Online Registration which went live on 5/27/24.

## **ATTENDANCE**

The school year consists of 177 days. Students must be in attendance 167 days to receive credit for the year's work. **Students are allowed no more than 10 unexcused absences for the year.** Students will be marked a ½ day absent if they miss 50% of the day and will be marked a full day absent if they miss 51-100% of the day.

In accordance with state law, only the following absences will be considered excused provided the parent or guardian sends **the appropriate excuse as noted below** to school confirming the reason for the absence the day the student returns:

- Personal illness (physical or emotional illness) – (Doctor's Excuse)
- Serious illness or death in the immediate family - (Please provide copy of Obit.)
- Emergency medical or dental attention. – (Doctor's Excuse)

Please remember that it is especially important to get an excuse from your doctor for **each visit**. The excuse must contain the child's name, date, days of the absence, and reason for the absence. The original doctor's excuse must be sent to school. Faxed excuses will only be accepted from the doctor's office. Excuses should be presented when the student returns to school.

Students should present the excuse to the teacher and request make-up work. The number of days allowed to make up assignments will correspond with the number of days absent. (i.e., 3 days absent = 3 days to turn in make-up work to the teacher or take missed tests).

## **ARRIVAL AND DISMISSAL**

## **AUDIO/VISUAL TAPING VIOLATION**

Please note that this policy does not apply to general assemblies, award ceremonies, and other school-sponsored events at Walker Elementary.

## **BUS OPERATING POLICIES**

Students can only be assigned to **one** bus route and on **one** bus roster. Example: A student can be a car rider in the morning and then ride a bus in the afternoon, but they cannot ride one bus in the morning and a different bus in the afternoon. In the event a bus should break down, buddy drivers will assist in transporting students home. Discuss any concerns occurring on the bus with the bus driver **first**. Continued abuse of bus privileges by a student may result in the denial of transportation. Due to overcrowding on our buses, no student may ride the bus home with another student. Students will receive a colored bus tag that must remain on their book sack, and it is the parent/student's responsibility to let teachers/staff know if they need a new one. Parents or guardians are responsible for contacting the bus driver and keeping the teacher informed, by written correspondence, of any changes in transportation. Parents must fill out a transportation change form in the office if a student's transportation to and from school is needed.

**\*\*\*All transportation changes must be submitted to the office before **12:00****

**noon in writing (hand-written, email, or fax) for a student to change their regular mode of transportation. We will not make changes via phone calls.**

## **CHANGE OF ADDRESS/TELEPHONE**

It is important that we have a current physical address, mailing address, email address, and telephone number on record in the school office for each student. Please notify the office if you have a change of address, email address, or telephone number at any time during the school year. Our messenger systems send out important information throughout the school year. The systems use the main contact's cell phone number and email address. Please make sure these are up to date in the office.

### **EARLY CHECK-OUT**

To check a student out of school, a parent or guardian must first go to the office and sign the check-out form (Be prepared to show picture ID). Check-out notes should be given to the teacher as soon as school begins. The office will call the student's parent to verify the note **All check-outs must take place before 2:45 p.m., due to the arrival of buses in the parking lot.** Refer to the attendance section for those absences which are excused.

Emergency dismissal takes place only during extreme circumstances such as unpredictable weather, equipment failure, or public crisis. During inclement weather, we sometimes must dismiss because of loss of electricity. You will be notified if school is dismissed early. School will not be dismissed early unless a significant safety risk has been established. The following emergency dismissal procedures will be followed:

1. The District Superintendent will notify the school to dismiss.
2. Bus drivers will be called to pick up their students.
3. We will then follow the regular dismissal procedure.

It is important for students to be aware of an alternative plan so that the students will know what to do and where to go in case school dismisses early.

## **FEES – STUDENT OPERATIONAL FEE**

**Pre-K \$35.00**

**Kindergarten through 5<sup>th</sup> - \$50.00**

The operational fee will cover students' supplies, materials, and to offset copy expenses. WES will purchase the bulk of student supplies. The student operational fee supplements state and district funding and provides for many instructional needs of students. We are requesting that the fee be paid in **full by October 1, 2024**. After October 1<sup>st</sup>, students will not be able to attend field trips, participate in clubs, or sports until their operational fee has been paid.

If a family has a financial circumstance which affects the payment of school fees, please contact our final secretary, Evelyn Wheat, to discuss payment options. A monthly/weekly payment plan is available.

## **FIELD TRIPS**

Field trips to points of interest in the area are scheduled at various times during the school year. Parents will receive notice of field trips in advance. Students are required to ride the bus and **must** return to school on the bus. Other children, including siblings, may not attend field trips with parent chaperones. Not all field trips require parent chaperones. Each grade level will communicate field trip details in a timely manner to families.

## **Livingston Parish Public School System Title I Family Engagement Policy 2024-2025**

A Districtwide Family Advisory Council has been established in order to revise the current Livingston Parish Title I Parent and Family Engagement policy and expand the plan in accordance with the *Every Student Succeeds Act (ESSA) of 2015*, section 1112 of the Elementary and Secondary Act (ESEA). This council will meet regularly in order to coordinate and integrate family involvement and evaluate the effectiveness of the policy. This policy will be made available to the local community and updated periodically to meet the changing needs of the families and the school. The ultimate goal is to ensure that all families within the district are provided the same opportunities for involvement in their child's education. The advisory council will also be informed of the process of the 1% of Title I, Part A funds reserved for family engagement. The Local Education Agency (LEA) will incorporate these ideas into the district-wide policy. If there are any unsatisfactory comments on the plan, these will be forwarded to the State Education Agency (SEA).

Under the direction and technical assistance of the Local Education Agency (LEA), each Title I school will have family members serve on the Schoolwide Committee, which will function to review the schoolwide plan and family activities for that school. This plan will be specific to the Title I school and will provide a means for families to become more involved in their child's education.

Consistent with section 1118 of the ESEA, an annual meeting will be held in each school in which family members will be given information about their school participation in the Title I program and related services, an explanation of the requirements of this participation and a school/family compact as required by section 1118(d) of the ESEA. Family members will also be informed of their right to parent-teacher conferences, regular reports on their children's progress, reasonable access to staff, opportunities to volunteer on campus, and to request information regarding the professional certifications of their student's classroom teachers. To the extent, which is practical, meetings will provide full opportunities for the participation of family members of English Learners, Students with disabilities and migrant parents following section 1111 of the ESEA. Information will be understandable and uniform.

One goal of this plan will be to improve communication between home and school through family/school compacts, newsletters, family-teacher conferences, handbooks, agendas, surveys, School Messenger recordings. Electronic communications, such as: telephone calls, texts/emails, and various school social media formats of sharing information; such as Twitter, Facebook, Instagram, and My School App. It is important that family members respond to communications from the school in a timely manner and talk with their children about their classroom activities and behavior.

Another goal will be to provide information concerning the *Every Student Succeeds Act (ESSA) of 2015*, the State of Louisiana Accountability Law, the curriculum used at the school, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet.

Title I schools will assist families with parenting skills, technology skills, and give assistance in helping with homework, projects, and other at-home activities. Families will be encouraged to take advantage of teacher conferences as a way of monitoring the progress of students. Schools will also provide opportunities for the local community to become more involved with families and with the school.

Family participation is essential to the success of the students. By monitoring the child's progress and working with educators to improve students' achievement, families provide a vital link between the school and the student. Students should know that their family values education and achievement and are available to help them to achieve their goals. Annually, each school will disseminate and collect family surveys to improve engagement. Results from the survey, if needed, will be used to revise family engagement policies at the school level.

It is Livingston Parish Public School System's goal to reach out to, communicate with and work with families as equal partners in our schools.

**Livingston Parish Public School System**  
**Title I Family Engagement Policy**  
**(Política de Participación Familia)**  
**2024-2025**

Un Consejo Asesor Familia ha sido establecido por el distrito con el fin de revisar la actual política de Livingston Parish Title I Family Engagement (Participación de la Familia) y ampliar el plan de conformidad con el *Every Student Succeeds Act (ESSA) of 2015*. Este Consejo se reunirá periódicamente con el fin de coordinar e integrar la participación de la familia y para evaluar la eficacia de la política. Esta política se pondrá a disposición de la comunidad local y será actualizada periódicamente para satisfacer las necesidades cambiantes de los padres y la escuela. El objetivo final es garantizar que todas las familias dentro del distrito sean proveídas de las mismas oportunidades de participación en la educación de sus hijos. El consejo asesor también será informado del proceso de los fondos del 1% del Título I, Parte A, Los Fondos Reservados para la Participación de los Padres-Familia. La LEA incorporará estas ideas dentro de la política de todo el distrito. Si hay algunos comentarios no satisfactorios en el plan, éstos se remitirán a la Agencia Estatal de Educación (State Education Agency/SEA, por sus siglas en inglés).

Bajo la dirección y la asistencia técnica de la Agencia Local de Educación, cada escuela Título I tendrá miembros de la familia sirviendo/ejerciendo en el Comité de la Escuela, que funcionará para revisar el plan de toda la escuela y las actividades de los padres de esa escuela. Este plan será específico a la escuela de Título I y proporcionará un medio para que padres-familia se involucren más en la educación de sus hijos.

Una reunión anual se llevará a cabo en cada escuela en la que se les dará a los padres información sobre la participación de su escuela en el programa Título I y los servicios relacionados, y una explicación de los requisitos de esta participación. Los miembros de la familia también serán informados de su derecho a las conferencias entre padres y maestros, informes periódicos sobre el progreso de sus hijos, el acceso razonable al personal, oportunidades para ser voluntario y participar en la clase de su hijo, y para solicitar información sobre los títulos profesionales de los maestros de sus hijos. En la medida de lo práctico, las reuniones de padres brindarán oportunidades para la participación de los miembros de la familia con inglés limitado, miembros de la familia con discapacidades y padres migrantes. La información será comprensible y uniforme.

Uno de los objetivos de este plan será el de mejorar la comunicación entre el hogar y la escuela mediante acuerdos entre padres-familia/escuela, boletines informativos, conferencias entre padres y maestros, manuales, agendas, encuestas, mensajes vía School Messenger Phone System, comunicaciones electrónicas tales como: llamadas telefónicas, mensajes de texto y correos electrónicos y otros tipos de intercambio de información. Es importante que los padres respondan a las comunicaciones de la escuela de una manera oportuna y que hablen con sus hijos sobre sus actividades en el aula.

Otro objetivo será proporcionar información acerca del *Every Student Succeeds Act (ESSA) of 2015*, la Ley de Responsabilidad del Estado de Luisiana (State of Louisiana Accountability Law), el currículo usado en la escuela, las formas de evaluación académica utilizadas para medir el progreso del estudiante, y los niveles de competencia que se

espera que los estudiantes cumplan.

Las escuelas Título I asistirán a las familias con las habilidades de crianza, habilidades tecnológicas, y darán asistencia para ayudar con las tareas, proyectos y otras actividades en el hogar. Los padres serán animados a tomar ventaja de las conferencias entre padres y maestros como una forma de monitorear el progreso de los estudiantes. Las escuelas también proporcionarían oportunidades para la comunidad local al involucrarse más con las familias y con la escuela.

La participación de familia es esencial para el éxito de los estudiantes. Al monitorear el progreso del niño/a y trabajar con los educadores para mejorar los logros de los estudiantes, los padres proporcionan un vínculo vital entre la escuela y el estudiante. Los estudiantes deben saber que sus de familia valoran la educación y los logros y están disponibles para ayudarles a alcanzar sus objetivos. Anualmente, cada escuela difundirá y recogerá encuestas de familia para aumentar la participación de la familia. Los resultados de la encuesta, si es necesario, se utilizarán para revisar las políticas de participación de familia en el ámbito escolar.

Es la meta del Sistema de Escuelas Públicas del Condado de Livingston (Livingston Parish Public School System) lograr comunicarse y trabajar con familias en condiciones de igualdad en las escuelas.

### **LOST AND FOUND**

Clothing items found on the school campus will be placed in the lost and found in the gym. Money, jewelry, and other items of value are turned into the office. Students may claim lost items after giving proper identification.

Please write the student's first and last name on all jackets, book sacks, and other personal items. It is recommended that students leave toys, trading cards, stress pop its, electronics, i.e., at home.

### **LOST OR DAMAGED TEXTBOOKS/LIBRARY BOOKS**

Students are responsible for paying for replacement textbooks/library books if a textbook/library book is lost or damaged.

## **Lunchroom Procedures**

The following actions help our cafeteria run smoothly:

1. Students will use good manners and be respectful to their classmates and all adults assisting with lunch procedures.
2. Students are responsible for leaving their lunch area neat and clean.
3. Canned or bottled soft drinks are NOT allowed. Water and fruit juices are allowed in the cafeteria. This is a state policy.
4. Food packaging with printed names/logos from commercial food establishments (McDonald's, Burger King, Sonic, Raising Canes, etc.) are prohibited during meal service. This is a state policy.
5. If your child brings a lunch box, please send items that are easy to open, especially for younger students.
6. Kindergarten may purchase extra snacks in the lunchroom but only when they have money uploaded in their SchoolBucks account. Sending cash with our younger students causes many issues.
7. Each grade level will be assigned a time for a family picnic at school. All guests will enter our campus through the bus gate. Lunch will be picnic style outside, and families may bring lunch for their student. However, if guests want to buy a school lunch, they will need exact change, (\$5.00). Please be respectful to all visitors, staff, and students while on campus. Any guest who violates these expectations will be asked to leave immediately. We want this to be a positive experience for our students. If we experience inclement weather, lunch will be rescheduled to another day.

If a student requires oral medication to be given by school personnel at school, the parent or guardian must bring the medication to school (**never the student**). A form must accompany the medication, giving directions for its administration. The form must be filled out and signed by the doctor and parent/guardian.

The medication must be in the original container. It must carry a current prescription label with the child's name, drug identity, dosage instructions, doctor's name, and date. No more than one month's supply of medicine may be sent to school at one time. School personnel cannot break tablets in half.

No "over the counter" medication such as Tylenol, aspirin, cough medicine, cough drops, etc., can be given at school without a doctor's order and a prescription label. No topical medication shall be applied to the student's skin in any form. In addition, no ear, nose, or eye drops can be administered even though it is a prescription. Never send these items with students to self-administer.

## **SCHOOL NEWS AND INFORMATION**

School events and information of interest to students and families will be communicated through the following avenues:

- ❖ The Walker Elementary School APP
- ❖ Our Facebook Page
- ❖ Our WESWildcat Website

## **SCHOOL HEALTH RULES (LPPS)**

The following guidelines are offered to help you determine when your child should not attend school. Please consider carefully a child's statement of feeling ill.

- Diarrhea/vomiting: Students who are vomiting or having diarrhea (2 or more watery stools) will be sent home from school. They will not be allowed to return until they are symptom free for 24 hours from the onset of symptoms. Children should be kept home if they were vomiting or experienced diarrhea during the night.
- Fever: Students who have a fever of 100.0 F or higher will be sent home. Students will be readmitted after they have been fever free for 24 hours without the use of fever reducing medications. (Ex: Tylenol, Motrin, or Advil).
- Cold/flu: Students with severe colds, sore throats, cough or "flu like" symptoms will not be allowed to stay at school. They should stay home for rest and proper attention to their symptoms.
- Pink Eye: Symptoms of pink eye such as eye drainage, crusty eyelids, redness on the white part of the eyes, swelling, and itching may indicate pink eye, which is a contagious disease. Children with these symptoms will be sent home and should be seen by a doctor for a diagnosis. A doctor's excuse will be required to return to school. If diagnosed with pink eye, the student must be on treatment for at least 24 hours before he can return to school. Some conjunctivitis may require the student remain at home until all symptoms are resolved.
- Rash/Lesions: A student with an undiagnosed rash or lesion will not be allowed to stay at school. Skin rashes or lesions will be considered possibly contagious. Child may return to school after rash is determined to be non-contagious by a physician or to be no longer contagious after proper treatment. Students may return with a note from the Physician's office.
- Boils: Students with boils must be seen by a physician. If it is a staph infection, they must remain home for 24 hours after starting antibiotics. A physician's note will be required for them to return to school. The boil must be covered. If the boil is draining, extra clothes and bandages should be sent with the student in case the bandage becomes saturated or if the clothes get wet.
- Lice: A student's hair must be free of nits and bugs in order to remain at school. The student will be readmitted to school after the parent has treated the child and all nits and bugs are removed. After successful treatment, the parent will need to bring the student to the office to be rechecked for lice by school personnel before being allowed to stay at school. It is recommended that parents check their child on a regular basis for signs of head lice.
- Medication: If your child needs to take medications for chronic conditions at school

please contact your school nurse. State law requires a medication administration form to be completed by the physician and parent. This includes prescription and over-the-counter medications. If a student is prescribed a new medication, they must remain at home for 12 hours after the first dose to be observed for adverse reactions. Parents are allowed to bring medications to the school and administer them to their child. If Parents cannot come, they may send the medication with someone listed on the child's contact card. If the parent or someone on the contact card cannot come then the parent may send an adult not listed on the contact card. The school will require a written or verbal consent from the parent if the adult is not on the contact card and an ID will be checked.

· Immunizations: Louisiana State Law Statute LA R.S. 17; 170

Students entering school for the first time shall present a completed or up to date immunization record.

Beginning with the 2024-2025 school year, LDH will be observing the existing school entry requirement that students be vaccinated with at least 2 doses of Hepatitis A vaccine before entering Kindergarten, or any grade thereafter.

All students that are 11 years old must have a Tdap Booster, Meningitis vaccine, and a second varicella (chickenpox). Students that are 16 years of age must have a second meningitis immunization.

Parents of students that are unable to receive their immunizations due to medical, religious, or personal reasons must submit a written letter of dissent. This letter can be found on the LDOE and LPPS websites.

Students that have not received proper immunizations may not be allowed to come to school if there is an outbreak of a communicable disease at school (Chickenpox, Measles, Pertussis, etc.). State law must exclude these students from the school setting, for the incubation period of the disease. These absences may not be excused.

· Vision/Hearing: Student's vision and hearing are screened by the school nurse in Pre-K, Kindergarten, 1st, 3rd, 5th, 7th & 9th grades and from parent or teacher referrals. If a problem is detected, notes will be sent home to the parent referring them to their physician for a more complete evaluation.

· Scoliosis: Students are screened in 6th grade for curvature of the spine. If signs are seen, students will be sent home with a letter referring them to their physician for a more complete evaluation.

· Medical Conditions: If your child has a chronic medical condition, contact the school nurse annually. Some examples of chronic medical conditions are Seizures/Epilepsy, diabetes, asthma, celiac disease, severe allergic reactions to insects or food that require use of an Epi-pen or Benadryl during the school day. A SPECIAL DIET ORDER form is required annually from a physician if your child has specific food allergies.

· Post- Surgery or Hospitalization: If your child is hospitalized or has surgery, he/she must return with a note from the Physician allowing him/her to return to school. Any restrictions must be noted on the return to school form.

If you have any questions or concerns, you may call Jennifer Wilkinson, RN School Nurse Coordinator at (225)686-4368 or contact the school nurse at your child's school.

In order for proper care to be provided at school, it is the parent's responsibility to notify

the school nurse with any medical conditions or needs your child may have; including any changes to their medical conditions during the school year.

### **LIVINGSTON parish public schools REGLAS DE SALU**

Las siguientes pautas se ofrecen para ayudarlo a determinar cuándo su hijo(a) no debe asistir a la escuela. Por favor considere cuidadosamente la condición de su hijo(a) al sentirse enfermo.

- **Diarrea/vómitos (Diarrhea/Vomiting):** Los estudiantes que estén vomitando o tengan diarrea (2 o más heces acuosas) serán enviados a casa desde la escuela. No se les permitirá regresar hasta que estén libres de síntomas durante 24 horas desde el inicio de los síntomas. Los niños deben mantenerse en casa si vomitan o experimentan diarrea durante la noche.

- **Fiebre (Fever):** Los estudiantes que tengan temperaturas de 100.0 °F (38 °C) o más serán enviados a casa por fiebre. Los estudiantes serán readmitidos después de que hayan estado sin fiebre durante 24 horas sin el uso de medicamentos para reducir la fiebre. (Ejemplo: Tylenol, Motrin o Advil).

- **Resfriado/Gripe (Cold/flu):** Los estudiantes con resfriados severos, dolor de garganta, tos o síntomas similares a los de la gripe no podrán quedarse ni asistir a la escuela. Deben quedarse en casa para descansar y prestar atención adecuada a sus síntomas.

- **Conjuntivitis (Pink Eye):** Los síntomas de conjuntivitis, como drenaje ocular, párpados y lagañas en los ojos, enrojecimiento en la parte blanca de los ojos, hinchazón y picazón pueden indicar conjuntivitis, que es una enfermedad contagiosa. Los niños con estos síntomas serán enviados a casa y deben ser vistos por un médico para un diagnóstico. Se requerirá una excusa del médico para regresar a la escuela. Si se le diagnostica conjuntivitis, el estudiante debe estar en tratamiento durante al menos 24 horas antes de poder regresar a la escuela. Algunas conjuntivitis pueden requerir que el estudiante se quede en casa hasta que desaparezcan todos los síntomas.

- **Sarpullido/Lesiones (Rash/Lesions):** Un estudiante con una erupción o lesión no diagnosticada no podrá quedarse en la escuela. Las erupciones o lesiones cutáneas se considerarán posiblemente contagiosas. El estudiante puede regresar a la escuela después de que un médico determine que la erupción no es contagiosa o que ya no es contagiosa después del tratamiento adecuado. Los estudiantes pueden regresar con una nota de la oficina del médico.

- **Forúnculos (Boils):** Los estudiantes con forúnculos o nacidos deben ser vistos por un médico. Si se trata de una infección por estafilococos, deben permanecer en casa

durante 24 horas después de comenzar a tomar antibióticos. Se requerirá una nota del médico para que puedan regresar a la escuela. El forúnculo debe estar cubierto y si está drenando, se debe enviar ropa y vendas adicionales con el estudiante en caso de que la venda se sature o si la ropa se moja.

- Piojos (Lice): EL cabello de un estudiante debe estar libre de liendres y bichos para poder permanecer en la escuela. El estudiante será readmitido a la escuela después de que el padre haya tratado a su hijo(a) y se hayan eliminado todas las liendres y bichos. Después de un tratamiento exitoso, el padre deberá traer al estudiante a la oficina para que el personal de la escuela lo revise nuevamente en busca de piojos antes de que se le permita quedarse en la escuela. Se recomienda que los padres revisen regularmente a sus hijos para detectar signos de piojos.

- Tratamiento y Medicamentos (Medication): Si su hijo(a) necesita tomar medicamentos para enfermedades crónicas en la escuela, comuníquese con la enfermera de la escuela. La ley estatal requiere que el médico y los padres completen un formulario de administración de medicamentos. Esto incluye medicamentos recetados y de venta libre. Si a un estudiante se le receta un medicamento nuevo, debe permanecer en casa durante 12 horas después de la primera dosis que se debe observar para detectar reacciones adversas. Los padres se les permite venir con los medicamentos a la escuela y administrarlos a sus hijos. Si los padres no pueden venir, pueden enviar el medicamento con alguien que se encuentre en la tarjeta de contacto de su hijo(a). Si el padre o alguien en la tarjeta de contacto no puede venir, entonces el padre puede enviar a un adulto que no se encuentre en la tarjeta de

contacto. La escuela requerirá un consentimiento escrito o verbal del padre si el adulto no está en la tarjeta de contacto y se verificará con una identificación (ID).

- Inmunizaciones (Immunizations): Estatuto de la ley del estado de Louisiana LA R.S. 17; 170

Los estudiantes que ingresen a la escuela por primera vez deberán presentar un registro de vacunación completo y actualizado.

A partir del año escolar 2024-2025, LDH observará el requisito de ingreso escolar existente de que los estudiantes se vacunen con al menos 2 dosis de la vacuna contra la hepatitis A, antes de ingresar al Kinder o cualquier grado posterior.

Todos los estudiantes que tienen 11 años deben recibir un refuerzo Tdap, la vacuna contra la meningitis y una segunda varicela (Chickenpox). Los estudiantes que tienen 16 años de edad deben tener una segunda vacuna contra la meningitis. Los padres de estudiantes que no pueden recibir sus vacunas debido a razones médicas,

religiosas o personales deben presentar una carta de desacuerdo por escrito. Esta carta se puede encontrar en los sitios web LDOE y LPPS.

Los estudiantes que no hayan recibido las vacunas adecuadas no podrán asistir a la escuela si hay un brote de una enfermedad contagiosa en la escuela (varicela, sarampión (Measles), tosferina (Pertussis), etc.). La ley estatal debe excluir a estos estudiantes del entorno escolar durante el período de incubación de la enfermedad. Estas ausencias no pueden ser excusadas.

- **Visión / audición (Vision/Hearing):** la visión y la audición del estudiante son evaluadas por la enfermera de la escuela en Pre-K, Kínder, 1er, 3er, 5to, 7mo y 9no grado y da los resultados a los padres y maestros. Si se detecta un problema, se enviarán notas a los padres para remitirlas a su médico para una evaluación más completa.
- **Escoliosis (Scoliosis):** los estudiantes son evaluados en sexto grado para determinar la curvatura de la columna. Si se ven signos, los estudiantes serán enviados a casa con una carta que los refiera a su médico para una evaluación más completa.
- **Condiciones Médicas (Medical Conditions):** si su hijo(a) tiene una condición médica crónica, comuníquese con la enfermera de la escuela anualmente. Algunos ejemplos de afecciones médicas crónicas son convulsiones / epilepsia, diabetes, asma, enfermedad celíaca, reacciones alérgicas graves a insectos o alimentos que requieren el uso de un Epi-pen o Benadryl durante el día escolar. Se requiere un formulario de ORDEN DE DIETA ESPECIAL anualmente de un médico si su hijo(a) tiene alergias alimentarias específicas.
- **Post-Cirugía u Hospitalización (Post-Surgery or Hospitalizacion):** Si su hijo(a) está hospitalizado o se somete a una cirugía, debe regresar con una nota del médico que le permita regresar a la escuela. Cualquier restricción debe anotarse en el formulario de regreso a la escuela.

Si tiene alguna pregunta o inquietud, puede llamar a Jennifer Wilkinson, coordinadora de enfermería de la escuela RN al (225) 686-4368 o comunicarse con la enfermera de la escuela de su hijo(a).

Para que se brinde la atención adecuada en la escuela, es responsabilidad de los padres notificar a la enfermera de la escuela sobre cualquier condición médica o necesidad que pueda tener su hijo(a); incluyendo cualquier cambio en sus condiciones médicas durante el año escolar.

## **SCHOOL NURSE**

The school nurse is responsible for the maintenance of health records, routine health checks, parental contact concerning health problems, care of minor injuries, vision and hearing screening, and assistance in health teaching. Please contact the school nurse if your child is absent from school due to communicable diseases.

## **School Wide Positive Behavior Incentive Plan (SWPBIS)**

During the first week of school, each class will establish expectations within the conduct guidelines set forth by the Livingston Parish School Board and will post these expectations where they are visible to all students and staff. Parents will be notified of the guidelines.

The administration and faculty are constantly looking for evidence of good citizenship among our students. When a student is “caught being good,” he or she is presented with WILDCAT CASH which can be redeemed throughout the year.

To handle situations that arise, the teacher may hold a conference with the student, call a conference with the parent or guardian, use classroom disciplinary procedures, or refer the situation to administration or to the counselor. To ensure consistency in discipline throughout the school, the following guidelines will be used.

5/green- start the day/ good day  
Warning-no consequence.

4/blue- loss of 1 behavior point.  
Consequence: loss of half of recess.

3/purple- loss of 1 additional behavior point.  
Consequence: loss of entire recess.

2/yellow- loss of 1 additional behavior point.  
Consequence: recess detention.

1/orange- loss of 1 additional behavior point.  
Consequence: parent contact.

0/red- loss of 1 additional behavior point – no points remaining.

Consequence: Office Referral. Parents will be contacted by the administration.

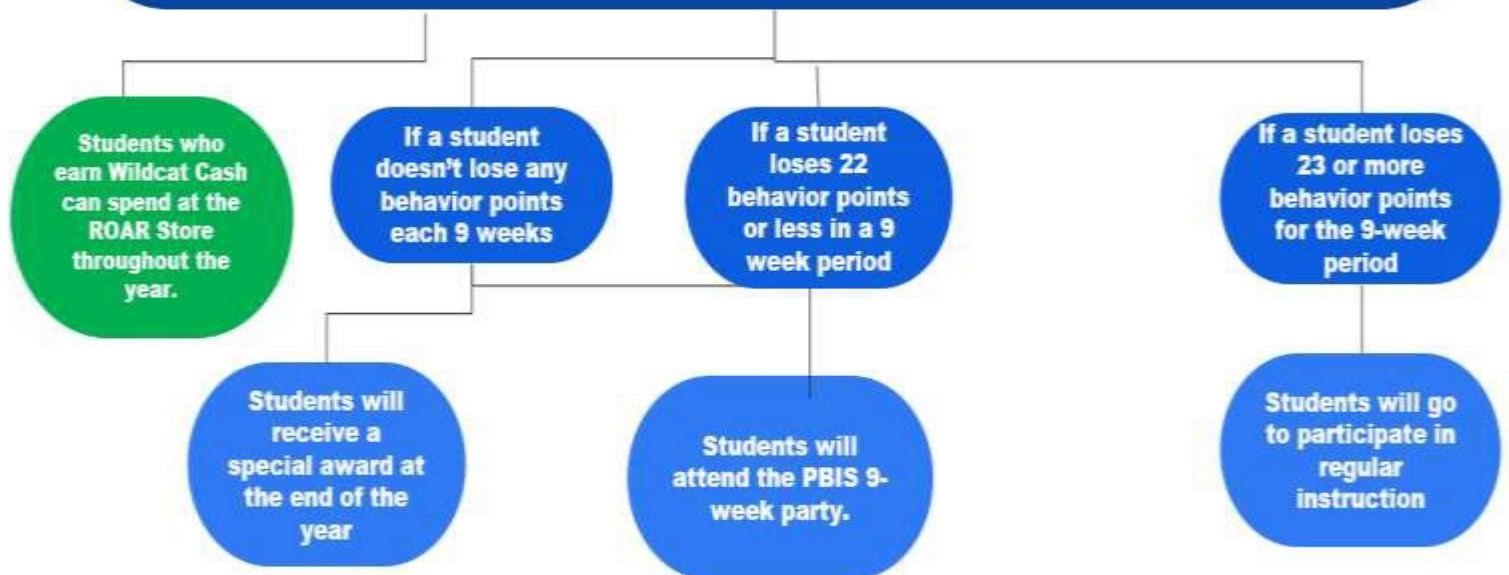

When a student breaks a classroom rule, he/she will lose a behavior point. Behavior points are used for record-keeping to track attendance for SWPBIS rewards. These guidelines are for most discipline situations. In certain circumstances, students can be sent directly to the office. On the 5th recess detention, the detention teacher will notify the office, and the administration will automatically contact the parent and inform them that their child is at the halfway point to receiving a suspension. 10 detention write-ups in one 9-week period will result in a suspension.

Fighting, harassment, bullying, defiance of school staff, use of profanity, refusal to follow directions, refusal to prepare assignments or to participate in class, inappropriate restroom/hallway behavior, possession of firearms, weapons, or other dangerous objects, possession or use of tobacco, possession or use of any controlled substance, gambling, and vandalism are not acceptable school-appropriate behaviors and will not be tolerated.

If a student receives any type of office referral, including bus referrals, he/she will not participate in 9-week Activity/SWPBIS rewards or incentives. Students who do not lose more than 22 points will participate, and students who do not lose any points for the entire year will receive a special award at the end of the year. Marks reset every nine-week period. See flow chart.

## Walker Elementary's PBIS Process

Teachers at Walker Elementary will observe student behaviors throughout the nine weeks. The teacher will document the behavior and will give behavior points when those behaviors are observed.

## **STUDENT – SEARCH OF STUDENT’S PERSON**

The Livingston Parish School Board authorizes any teacher, principal, school security guard, or administrator under the employ of the School Board to search a student's person or his/her personal effects when, based on the attendant circumstances at the time of the search, there are reasonable grounds to suspect that the search will reveal evidence that the student has violated the law, a school rule, or a School Board policy. Such a search shall be conducted in a manner that is reasonably related to the purpose of the search and not excessively intrusive in light of the age or sex of the student and the nature of the suspected offense. Strip searches are specifically prohibited.

If a school administrator suspects the presence of firearms, weapons (defined as dangerous instrumentalities), illegal drugs, stolen goods, or other materials or objects the possession of which is a violation of parish School Board policy, random searches with a metal detector of students or their personal effects may be conducted at any time, provided they are conducted without deliberate touching of the student.

Any search of student's person shall be done privately by one of the persons above authorized and of the same sex as the student to be searched. At least one (1) witness who is a school administrator or teacher, also of the same sex as the student, shall be present during the search. Detailed documentation shall be made of all searches. Items which are specifically prohibited by law, School Board policy or school regulations shall be immediately seized. The school administrator/designee shall immediately contact the student's parent/guardian, appropriate law enforcement agency and the Superintendent.

Upon any such violations, the student(s) may be suspended or recommended for expulsion by the appropriate authorities, and investigative facts and/or seized items immediately turned over to the proper law enforcement officials, when appropriate. The school administrator/designee shall notify the appropriate school personnel of the suspension/expulsion within a reasonable time period.

Whenever any search is conducted pursuant to this policy, as soon as is reasonably practical, a written record shall be made thereof by the school administrator/designee conducting the search, and such record shall include the name of the student and/or person(s) involved, the circumstances leading to the search and the results of the search. This written, dated, and signed record shall be maintained in the school administrator's office. The student and parent(s)/guardian(s) shall be given a written receipt for any items seized and/or impounded by the school administrator/designee.

## **STUDENT SEXUAL HARASSMENT POLICY**

The Livingston Parish School Board disapproves of and does not tolerate sexual harassment by employees to students, by student to employee, or by one student to another student. No employee or student, either male or female, should be subject to unsolicited and unwelcome sexual overtures or conduct, either verbal or physical. Sexual harassment does not refer to occasional compliments of socially acceptable nature. It refers to behavior that is not welcome, that is personally offensive, and therefore interferes with the purposes of the employee and/or student in the academic, extracurricular, and co-curricular atmosphere.

**Coverage** – This policy applies to all students, employees, and non-employee volunteers, to the elected members of the School District, and to all students of the Livingston Parish School District. It applies at school, and locations, events, or circumstances over which the School District has exercised substantial control over both the respondent and the context in which sexual harassment occurs.

**Complaint Procedure** – Complaints of sexual harassment which take place at a school related function or arising out of the school setting should be reported to the administration of the school.

### **STUDENT UNIFORM DRESS CODE (LPPS POLICY UPDATED MARCH 2021)**

The policy of the Livingston Parish School Board shall be that no mode of attire shall be considered proper for school wear that disrupts the classroom and/or the school's positive learning environment. In questions regarding student dress and grooming, the principal or his/her designee of each school shall make the final decision based on this policy as to what is considered proper or improper dress according to the guidelines provided. The Livingston Parish School Board is responsible for achieving a systemwide dress code for appearance and dress among students that will promote the best atmosphere for teaching and learning.

### **DRESS AND PERSONAL GROOMING**

It is the responsibility of each student to use good judgment regarding appearance and attire. Cleanliness shall be a basic consideration. Any complaint concerning a student's dress and appearance shall be addressed by the particular school's administration. The principal of the particular school shall make the final decision as to what is considered proper attire and appearance. In the event that health and medical considerations for a particular student require an exception to the Dress Code, the principal of the particular school shall determine that exception and make his/her faculty and staff aware of the exception.

The following guidelines have been established regarding all students' dress and appearance:

6. Piercings, other than ears, are not permitted. Clear (concise stud only) pierce hole fillers are allowed for nose rings.
7. Jewelry, including earrings, worn during the school day should be a size and dimension that is not a safety concern or a distraction on campus.

8. Hair should be neat, clean, and out of the student's eyes. Students should have natural hair color. Extreme unnatural colors are not allowed. Sculptured hair styles that include pictures, symbols, letters, numbers, or hair curlers, rollers or excessively teased will not be permitted. Principals have discretion if a hairstyle including accessories interferes with learning.
9. Neatly groomed facial hair is acceptable, including mustaches, beards, and goatees.
10. Fingernails should be neat, clean, natural, and kept short so that students can write and type without difficulty.

### **SCHOOL UNIFORM DRESS CODE**

The School Board is permitted by state law to adopt dress codes mandating the use of school uniforms. ### STUDENT ACCIDENT INSURANCE COVERAGE

Dear Parents,

The Livingston Parish School Board is pleased to inform you that optional Student Accident Insurance Coverage is available to you again this year. Multiple coverage options, plans and rates are available to allow for a coverage plan that best suit your needs. Policy information is available at [https://www.hsri.com/K12\\_Enrollment/Main/default.asp](https://www.hsri.com/K12_Enrollment/Main/default.asp). If you already have coverage (personal healthcare coverage) for those injuries and/or claims contemplated by the plans offered under the Student Accident Insurance Coverage policy noted above, your existing coverage will likely provide primary coverage for associated claims. The above noted Student Accident Insurance Coverage policy, if selected, would likely provide secondary coverage for associated claims, if you already have personal healthcare coverage. **A failure to secure either personal coverage or the coverage outlined in the attachment could result in an absence of coverage for injuries sustained by your child.**
